A Special Invitation from CLIMB CEO Gregory Bryant

Season's Greetings!

Please join us in bringing a touch of joy during our signature Christmas Fest celebration in Barrio Logan on Saturday, December 13, 2025, from 12:00-3:00 pm. Christmas Fest 2025 promises to be the largest ever - partnering with Toys for TOTS, Sharp Healthcare, Opsam Health, and San Diego County Libraries to provide over 2000 toys, health screenings and resources, literacy activities and more to underserved children across South Bay and Southeast San Diego. In these days and times, many families are struggling. As they face the stark choice between food, rent and other necessities, toys are often an unaffordable luxury. So, join us in providing a beacon of light and hope to our impoverished San Diego County families!

C.L.I.M.B., Inc. is the acronym for our 501-c3 non-profit organization, Community Life Improvement and Multi-Cultural Bridging. Our mission is to empower individuals and uplift communities, and since 2015, we have been serving the underserved Barrio Logan area in San Diego. We achieve this mission by offering youth education, life skills and entrepreneurial training, financial literacy, and health and wellness. We believe that if we empower individuals, they can then become agents of change in our communities.

Christmas Fest provides hope during the holiday season by bridging the gap between a needy family's means and their children's dreams. You can support this effort by mailing a check to the address on our letterhead or by clicking on our Zeffy link below to use your credit/debit card. Please review the attached Givers Guide to see how you can become a donor and/or sponsor for this inspiring celebration. We greatly appreciate donations of any amount, and your donations are fully tax deductible to extent permitted by law.
